

IB Diploma Results: May 2024 – Sha Tin College

Sha Tin College is delighted to announce the exceptional examination results of our 2024 cohort. These outstanding achievements reflect the hard work, dedication, and resilience of our students and the unwavering support from our dedicated staff and the wider community. We are incredibly proud of our students, who have demonstrated remarkable academic excellence and personal growth throughout their IBDP/CP journey. This year's results are a testament to their determination, intellectual curiosity, and commitment to achieving their best, even in the face of challenges.

Highlights of this year's results include:

- An impressive average score of 6 across all subjects.
- A significant number, 10% of students achieved the prestigious bilingual diploma.
- 4 students scored a perfect 45 points, placing them among the top achievers globally.
- 46.4% of our students achieved scores of 40 points or higher, reflecting their exceptional academic abilities.

In addition to the remarkable achievements of our IB Diploma students, we are equally proud to celebrate the success of our IB Careers-related Programme (CP) students. This year, our CP cohort has demonstrated exceptional skill and dedication, with an impressive 62% of students receiving distinctions, or equivalent, across 5 different career-related studies, including first year university courses. Their accomplishments highlight the value of the CP pathway in providing a well-rounded, career-focused education that prepares students for both higher education that has allowed access to aspirational higher education institutions and the professional world.

Our Principal, Ms Carol Larkin, expressed immense pride in the students, saying, "These results are not just numbers but a reflection of the hard work, perseverance, and passion our students have invested in their studies. They have embraced the IB ethos of being inquirers, thinkers, and open-minded individuals, and their success is a source of great pride for our entire school community."

The success of our students would not have been possible without the unwavering support of our dedicated teachers, who have gone above and beyond to provide an enriching and supportive learning environment. Their commitment to fostering a love for learning and guiding our students to achieve their full potential has been instrumental in this success.

We would also like to extend our heartfelt gratitude to the parents and families of our students for their continuous encouragement and support. Your partnership has been vital in helping our students reach this milestone.

As we celebrate these outstanding results, we look forward to seeing our graduates continue to excel and make meaningful contributions to their communities and the world. The future is

bright for our students, and we are confident that they will carry forward the values and skills they have acquired at Sha Tin College as they embark on their next adventures.

Congratulations to the Class of 2024! You have made us all proud.

Kellie Fagan
Vice Principal
